

Dear Class Reception

I hope and pray that you and your families are keeping safe and well. This is such a great opportunity to email you.

I know this is a strange time but can I remind you to have a good time with your families.

When this is all over, it will be great to see you all. I'm sure you have got taller. It has been great seeing some of you and hearing about your home learning.

Keep up the good work and, when you miss your friends, try thinking about all the good times you shared with your classmates and also collective worship. It will really help you. Think about lovely songs such as My Lighthouse - it will really help you.

Please take great care of yourselves.

Lots of love from

Mrs Buller
