

Hello my lovely Year 1,

I just wanted to say a BIG HELLO to you all as I am missing each and every one of you very much. It's such a strange time I know and you must be missing your school friends and other people in your family so much.

As your grown ups may have explained to you, there is a horrible virus which is making lots of people sick so we all have to stay safe indoors so the clever doctors and nurses in the hospitals can make everybody better.

We are allowed to go out for some exercise everyday, so go out and have a run around as the fresh air will do you good.

Don't forget our lovely Mrs Munt has put some home learning on the website to keep you busy for a while but most of all try and have fun.

I can't wait to see you all again soon as I miss you making me smile and laugh every single day. Be good for your grown ups and give them a big hug as they need a cuddle too. Don't argue with your brothers and sisters.

I'd love to see you saying 'Hello' and letting us know what you're up to on the school website, as I miss you all so much.

Stay safe and take care.

With lots and lots of love from

Mrs Bishop 😊 xxx
