

Hello Year 3,

I hope that you are all well and enjoying your time at home with your families.

I know that at the moment we are all having to adapt to a very different way of living. This will pass very soon and I am sure that you all understand that it is to keep us all safe.

It seems like so very long ago that I saw your lovely faces. I really do miss each and every one of you. I know that Miss Hills has been sending you plenty of work to keep you busy. It is very important to keep our brains active as much as we can. Please make sure you do lots of other things to keep you busy too. There are so many different things you can do, maybe cooking, gardening, painting, sewing or even helping your families with the daily chores.

I have been keeping myself very busy. During the Easter holidays I did lots of gardening and baking with my son and daughter. I have taken the opportunity to read a lot more books and I aim to finish the box set of Michael Morpurgo very soon which is very exciting. There has been plenty of time for me to relax in the beautiful sunshine and go for lovely walks. I absolutely love my morning exercise with Joe Wicks (on YouTube) and my son. Please - if you have not tried this give it a go every morning at 9.00am. Why not ask your parents to join in - even my cat loves to watch. You can even dress up on Fridays and join in all the fun.

Once again, I really do miss you all very much and will see you all again very soon.

Stay home and stay safe.

Love from Miss Cox

xx
