PE Sport Premium 2017-2018

From September 2017, the Government announced that they would be doubling the Sport Premium for schools. The Sport Premium received by Forty Hill C.E. School for 2017/18 is **£18,050**. Below is the suggested allocation of funds and the intended impact that this funding will have for the school.

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer including:

- developing or adding to the PE and sport activities that the school already offers
- building capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
