## PE Sport Premium 2018-2019

From September 2017, the Government announced that they would be doubling the Sport Premium for schools. The Sport Premium received by Forty Hill C.E. School for 2018-19 is **£17,780**. Below is the suggested allocation of funds and the intended impact that this funding will have for the school.

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer including:

- developing or adding to the PE and sport activities that the school already offers
- building capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. The DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.
