

Forty Hill CE School

Register of Business Interests 2018/19

All the governors of Forty Hill CE School listed below have signed the Register of personal, pecuniary or business interests. This is a declaration of any personal or business interest they, or any relative or person closely connected with them, have with businesses or other organisations that may have dealings with the school. If an interest is declared by any governor which could be seen to cause a conflict of interest, they would be asked to withdraw from any decision making concerned. This is to ensure that our governors can always be seen to be putting the interest of the school first.
