PE Sport Premium 2019-2020

From September 2017, the Government announced that they would be doubling the Sport Premium for schools. The Sport Premium received by Forty Hill C.E. School for 2019-20 is **£17,780**. Below is the suggested allocation of funds and the intended impact that this funding will have for the school.

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer including:

- developing or adding to the PE and sport activities that the school already offers
- building capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. The DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

The children have benefited from their experience and enjoy the PE lessons. Miss Burling has taught from the Get Set for Sport Curriculum, which she tailors to fit the needs of our school and she is always accommodating when we have focus weeks or particular requirements. Currently Years 3 and 4 benefit from her teaching, with the class teacher delivering the second session of the week. Mr Hemmings has worked alongside Miss Burling to develop his confidence as a sports coach. Our class teachers are able to observe the coaching skills of the sports coach and engage with their own classes in future PE lessons. Due to this training, our staff have felt more confident delivering their own PE lessons.</i>
