

Forty Hill CE Primary School - Year 3 - Homework Grid 2019-20

Term: Autumn 2

Topic: The Generation Game

Weekly Homework	Reading - Children should be reading every day, ideally reading out loud with an adult.	Spelling - Continue to revise words and spelling patterns that the children have worked on in class. <i>All spelling lists can be found on our website in the class pages</i>	Maths - Continue to practise your times tables. How quickly can you recall the facts in a random order ? <i>Additional Maths Homework can be found on our website in the class pages.</i>
Curriculum Area	Learning Opportunities		
Literacy and Communication (Speaking and Listening, language and communication)	Talk to someone older than you and find out what they were doing at your age. Pretend you are an interviewer and write down some questions you would like to ask them and then write their responses.	Write a character description of a fairy tale character of your choice. Think about their appearance, personality, hobbies and your opinion of them.	Bake some Christmas cookies and then write down a set of instructions for how to make them. Think about the ingredients, equipment that you will need and the order of the instructions.
RE	Write the Lord's prayer in your best handwriting and illustrate it.	Write a letter to someone explaining how your family celebrates Christmas? What traditions do you have?	Make your own advent wreath or draw a picture of one. Explain what each candle represents.
Outside Environment (Science, PE, Healthy Lifestyles, Eco issues and investigation)	Go outside and make a family tree using natural materials. You may need to create labels and photographs to use as well. Take a photo!	Go for a walk with an older member of your family and make a note of all the ways you can see the seasons changing.	Go outside and make a den for one of the fairy tale characters using natural materials. Take a photo!
Humanities and Citizenship (History, Geography, Moral & Social and Economic Awareness)	Research your family tree. Work with your parents to record the information. Use photographs to help trace and remember family members.	Write a recount of a time that you have had to show determination and explain what you did. You may also write this in a diary format.	Pick someone who has made a difference in the world and then create a poster documenting all of the information you find out about that person.
Creative Arts (Art, Design and Technology, Music, Drama and Dance)	Fold a piece of paper in half and on one side draw your face and on the other side draw someone who is older than you. This could be a sibling, a parent, grandparent or someone who cares for you. Use a mirror to look at when drawing your own face.	Create a painting or a sculpture to show the movement and energy of someone young, e.g. a footballer, a dancer, swimmer, athlete, etc.	Create a collage using images that represent how your family celebrates Christmas.

At Forty Hill we believe in developing the whole child, academically as well as spiritually, morally, socially and culturally. We understand that some parents like lots of homework whereas others wish for none at all. In order to find a 'best fit', we publish our homework grids on a half termly basis, giving a range of activities for children to do, both independently or with adult support. **One** homework activity needs to be completed each week and handed in **every Wednesday morning**. This will be acknowledged by the teaching team. Remember to choose at **least 1 activity from each row over the half term**. Remember to be as **creative** as possible! Please see your teacher or teaching assistant if you are unsure about any of the activities.
