

September 2023

Dear parents,

We are thrilled to announce that our home reading records will now be completed via BoomReader. BoomReader is the award winning app designed to support teachers, parents and children with logging reading and books.

We understand that changing from paper diaries may feel daunting, however, we are able to share our experience to help you start using the app confidently and start appreciate the benefits the app brings.

Here is a brief list of the benefits we think you'll appreciate!

- No lost reading diaries!
- Reading diaries are never left at home on the busy school run!
- Log reading in seconds- just 4 or 5 taps of your phone to log reading.
- Easy to see all reading for all of your children in one place
- Saving needless paper usage
- No damaged/ruined reading diaries
- School gains powerful insight into reading for every child
- Reading records move with your child through school keeping a running record of everything they have ever read!
- Parents/carers can log in separately for each child
- Parents without smartphones can login via the website: boomreader.co.uk/parents
- And of course, the app is completely free for parents to download and use!

We want to make you feel fully supported during this process of change. BoomReader has an area of the website dedicated to parents that includes guides and further information and they are always there to support parents who have any questions.

boomreader.co.uk/parents

You will receive login details from your child's teacher that will contain everything you need to get started.

Fundamentally, the most important aspect to home reading is the reading. With BoomReader, the aim is to make the process of recording reading as manageable for parents as possible. The most important aspect of home reading is reading, so enjoy and celebrate helping your child learn one of the most important life-skills.

Kind regards,

The team at Forty Hill
