At Forty Hill we believe in developing the whole child, academically as well as spiritually, morally, socially and culturally. We understand that some parents like lots of homework whereas others wish for none at all. In order to find a 'best fit', we publish our homework grids on a half termly basis, giving a range of activities for children to do, both independently or with adult support. **One** homework activity needs to be completed each week and handed in **every Wednesday morning**. This will be acknowledged by the teaching team. Remember to choose at **least 1 activity from each row over the half term**. Remember to be as **creative** as possible! Please see your teacher or teaching assistant if you are unsure about any of the activities.
