20 January 2020

Dear Parent/Carer,

Year 5 Primary Swimming Programme

I am delighted to inform you that your child will take part in the London Borough of Enfield School Swimming Programme at the newly refurbished St Ignatius Swimming Pool.

The programme aims to achieve the following objectives:

- To develop water confidence and water safety skills
- To master basic stroke techniques
- To participate in enjoyable social activity
- To participate in activities, which can help improve health and fitness
- To provide opportunities to participate in appropriate progressive challenges through the Enfield Award Scheme

The class will have a Water Safety lesson in school on Monday 3rd February, and will commence swimming lessons on Monday 24th February for 16 weeks (excluding school holidays), until 29th June 2020, inclusive.

Your child will need a towel, swimming costume or trunks (no bikinis or baggy shorts), a swim hat and a verruca sock (if they have a verruca) in a bag. Children will walk to and from St Ignatius School accompanied by staff. Please ensure your child has a coat with them on Mondays as they are expected to attend all sessions, regardless of the weather.

This is a great opportunity to learn a new skill or develop an existing one as part of the statutory national curriculum, and I am sure all the children will enjoy the sessions.

Best wishes,
Yours faithfully,

Miss Bissett
